O.P.NO.2783 OF 1998 ()

Dated this the 14th day of September, 2007

KOSHY,J.

It is the case of the review petitioner that he was not a party to the judgment under review. It is a common judgment passed in large number of cases. We have held that so long as the statute is there, no inter university transfers can be made in contravention of the same. After hearing the petitioner, we are of the view that no grounds are made for reviewing the judgment and hence this review petition is dismissed.
